## Event Sponsorship

Our *5<sup>th</sup> Annual Festival of Cultures* is a volunteer-based community event aimed at bringing people together to learn about and celebrate our cultural diversity through displays of culturally specific items, information, performances and food. This year, with sufficient support, we plan to increase our marketing budget to promote the event across Central Oregon. **We will work with any sponsor to meet your specific needs. So, please be open to discussing your ideas with us.** This is a great opportunity at a very reasonable price to market your products and services.
